

KLOUDBusters Photographers Access Form

Photographers wishing access within the flight line perimeter at KLOUDBusters AIRFest or LDRS events must purchase a special photographers identification vest from KLOUDBusters at a cost of \$35 each. Only PROFESSIONAL Photographers will be allowed within

the flight line perimeter. Each Photographer must complete and sign this form 30 days prior to the start of the launch event; specifying for which publication or company you are shooting. "Freelance" is not acceptable. Forms and payment must be submitted to KLOUDBusters as directed below.

Photographers agree to the following:

1. Each photographer must have a personal FM radio on their person and listen to flight operations broadcast while on the range. No exceptions. These may be purchased from Wal-Mart, Best Buy, etc. at a nominal cost. All launch operations on the PA will be broadcast on FM and at times it is necessary to give instructions to photographers via the PA/FM broadcast.
2. Photographers inside the flight line perimeter will follow direction from the on-duty Launch Control Officer and/or the Launch Director; this includes determination of safe distance prior to launching as applicable to photographers. Failure to comply with direction from the on-duty Launch Control Officer and/or the Launch Director will result in the immediate revocation of photographers' privileges without refund.
3. The Launch Director reserves the right to limit the per-company number of photographers and the number of photographers on the flight line at any given time. All of the above has been implemented to promote the safety of everyone attending KLOUDBusters launches, to keep the flow of the launch running smoothly, and avoid unnecessary delays or inconvenience to flyers from photographers' actions.

I agree to all conditions and stipulations above.
